

# Here Are Some Jokes (and why they are funny)

Jokes are a great way to make people laugh. But telling good jokes take practice. You have to memorize the joke, and understand why it is funny. And remember, jokes are only funny the first few times you tell it! If you tell a joke too much it is actually the opposite of funny.

## JOKE #1

Question: **Why was six afraid of seven?**

...wait for other person to say “why”...

Answer: **Because seven ate nine!**

**?** Why is it funny? 😊

**6 was afraid of 7 because 7 ATE nine.**

**7,8,9 is a sequence of numbers.  
Eight and ate sound the same.**

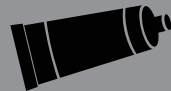

## JOKE #2

Question: **What musical instrument is found in the bathroom?**

...wait for other person to say “what”...

Answer: **A tuba toothpaste!**

 Why is it funny? 

“Tube of” sounds like “tuba”.

A tuba is a musical instrument.

## JOKE #3

Question: **What do elves learn in school?**

...wait for other person to say “what”...

Answer: **The elf-abet!**

 Why is it funny? 

“Elf-abet” sounds like “alphabet”.

People learn the alphabet in school.

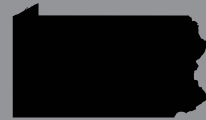

## JOKE #4

Question: **Where do pencils go for vacation?**

...wait for other person to say "where"...

Answer: **Pencil-vania**

 Why is it funny? 

“Pencil-vania” sounds like “Pennsylvania”.  
Pennsylvania is a state where someone  
could go on vacation.

## JOKE #5

Question: **What did zero say to eight?**

...wait for other person to say "what"...

Answer: **Nice belt!**

 Why is it funny? 

A 0 with a line (belt) looks like an 8.
